

On-going Research

1. Educational Institutions' Responses to graduate employability issues in South-west, Nigeria in collaboration with my colleague Prof. Eugenia A. Okwilagwe. It at the report writing stage.
2. Evaluation of the Junior Secondary School Civic Education Curriculum in Oyo State;
3. Teacher and Student variables as determinants of Senior Secondary School Students' perceived difficulty level of geography. #2 and #3 are being undertaken with my postgraduate students. They are at the data collection stage.
